

Dear Parents and Carers,

First of all, a big thank you to everyone who supported the nursery in our Haven House Sing-a-thon Charity Event. We raised over £750 to go towards this worthy cause – none of which would have been possible without your help, support and contributions. Not only do these events support our local community, but also teach our children the valuable ethos of sharing, helping others and being charitable – valuable lessons for life. A big thank you and well done to everyone involved!

We would like to invite you to a **coffee morning on 3rd April** – this will be in the south site hall, 9am, and is an opportunity to hear about some of the events going on in the nursery and will also allow for the opportunity to raise any questions that you may have. We look forward to seeing you there!

Our annual Easter Bonnet Parade will be held on 3rd April. This will take place in the north site playground. Children have the opportunity to make an Easter bonnet at home and enter the parade, led by members of the school band. There are many stalls at the event selling eats and drinks and a very worthwhile raffle. Hope to see you there.

Wishing you a restful week end,

Kind regards

Bronwen Chalmers
Headteacher

Last Day before Easter

Please note that the nursery will close at 2pm on Friday 5th April for the Easter holiday.

What's happening in the nursery?

Two year Olds

At some point after your child turns two, your child's key worker will give you a written summary of how your child is progressing against the three prime areas of learning:

- communication and language;
- physical development; and
- Personal, social and emotional development.

This is called **the progress check at age two**. This check will highlight areas where your child is progressing well and anywhere they might need some extra help or support. It will also indicate how mums and dads and other family members or carers can work with the key person to help.

You might find it useful to share the information from the check with other professionals such as health visitors, who can use it as part of the health and development review.

Nursery Attendance

Coming to school every day is very important. We are monitoring daily attendance in the 2-year-old and 3-year-old rooms.

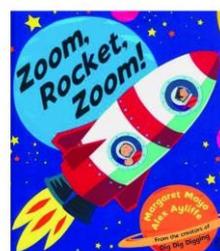

Well-done to NurD

I am disappointed to see such low attendance for NPM

. Please ensure your child attends regularly.

Reading Challenge!

Come and read with your child!

We are asking parents to join their children in nursery to read with them.

You will be able to collect tokens towards a free book each time you visit. We look forward to seeing you reading in the nursery!
