A thank you to everyone who responded to the consultation on the proposed changes to the definition of the sibling criteria in School's Admission Policy and procedure.

The Trust Board of Arbor Academy trust and the Local Governing Board of Davies Lane Primary School sought to recommend the proposed changes for consultation as in the best interest of the children and their families in reducing the number of children changing school part way through their school.

We are delighted to inform that the responses were very positive to the changes following consideration by the Local Governing Board and the Trust Board will come into effect at the earliest opportunity that is to say for admissions from 2020 onwards

The following stipulation has been removed as the amendment for Davies Lane Primary School following consultation:

For primary applications, children with a brother or sister on roll in Reception to Year 6 at the time of the proposed admission up to a distance of 0.5 miles from the school if the family has moved since the last sibling was offered a place
