Dear Parent/Carer

### Go Green for Grenfell

Following the recent fire in the Grenfell Tower in West London, we would like to do something positive to help support those most affected by this tragic event.

We would therefore like to designate **Wednesday 5<sup>th</sup> July 2017** a 'green day' in school. We ask that pupils bring in a donation to wear something green and the money collected will be donated through one of the existing appeals.

Thank you very much in anticipation of your generous support.

Yours sincerely
