Dear Parents and Carers,

9th March 2018

Calling all parents!!

Are you a parent or carer at Davies Lane?

Have you always longed to be a part of our learning journey?

Well here is your chance!

Davies Lane Primary School is calling all parents who have something to talk about! We are aware that working in partnership with parents bring us all together to make us stronger. Here at Davies Lane, we are creating a database for our parents and carers who have a skill or experiences can be shared (your skill set may range from being a builder, a pilot, an artist, a scientist, an engineer, a mum or just very creative!).

We would love to hear from you and find out how your skills can complement our ever growing curriculum- e.g. working with small groups, whole class or even running a phase assembly. There is always something for us all to learn!

Simply fill out the form below and we will add you to our database and contact you as the need arises!

I look forward to hearing from you!

Mrs Olubitan
