

Dear Parents and Carers,

As we get closer to the end of the year, we have many important events coming up. Next week we have the Puberty and Relationship Education meetings for parents. It is an opportunity for you to look at the resources and find out about the information your child will be learning in the next few weeks.

The first of our annual sports days is taking place on Tuesday 19th June in the afternoon for our Nursery children. Please note the change of date for Sports day for years 2 and 3, which is now on Monday 25th June from 1.15pm-3pm and for Nursery morning attendees, which is now Wednesday 27th June. The sports day for reception and year 1 remains unchanged on Thursday 28th June am and years 4, 5 and 6 on Thursday 28th June pm. As we are hoping for good weather for these events, please ensure that your child has a sun hat and sun screen.

We take the safeguarding of children very seriously. We have noticed that some parents are dropping children off at the school gate for breakfast club. Please ensure that you bring your child in to breakfast club in the morning and that you sign them in. you also need to sign your child out of Teatime club when they are collected at the end of the day

Finally, congratulations to the boy's cricket academy who came fourth at the borough championships, having been narrowly defeated by last year's and this year's champions. The girl's cricket academy, the hockey academy and year 4 football academy have matches coming up. We hope that they continue to build on the successes previously achieved.

Have a restful weekend,

Rebecca Corderoy

Deputy Headteacher

Davies Lane Parents Gardening Club - Eco Garden Project

We are looking for parents to help maintain the school eco garden in the south side playground, which will provide a great resource for outdoor learning, a chance to meet other parents, work with the children, and a positive, healthy way to start to the day!

No experience needed, just an hour or so of your time after drop-off Monday-Friday (or whatever you can spare) to help plant and maintain this perfect patch of outdoor space for our children to experience.

Can you help with any of the following?

- Providing cuttings, small plants, seeds or compost
- Help with watering and light weeding
- General garden advice on plants/fruit/vegetables
- Donating tools or equipment

We are also holding a stall at the **Davies Lane Summer Fair on 7th July**, if you have any plants, seeds or spare small plastic flower pots you would like to donate please contact our organiser - details below.

We would love to hear from you - please contact the Eco Garden Parent Team Organiser, Caz Crowe by email Crowebird85@gmail.com or text 07402812112
