

Dear Parents and Carers,
Our children certainly do work very hard here at Davies Lane. Looking at some of the books yesterday, I was struck by the progress made by all children over the last two terms. This is not only in terms of their presentation or grammar skills, but also the confidence and flair with which they write and their willingness to tackle more complex mathematical problems. I have also seen some fantastic project work undertaken by children as part of their homework. Well done to everyone for your hard work!

Over the next week the Y6 pupils will finish their revision cycle and will have the opportunity to show all they have learnt in their SATs tests over the week beginning 14th May. They have worked extremely hard over the past two terms, attending booster sessions, Saturday school and holiday school in order to ensure that they achieve their best. It is a good opportunity for them to show all they have learnt in their time here at Davies Lane.

Year 2 will also be undergoing SATs assessments - starting on the 9th May. These assessments are completed during class time and will inform the children's end of KS1 assessment grades. Again, with all the hard work that the children have put into their learning over the year, this is just an opportunity for them to show all that they have learnt!

Have a good week end
Kind Regards
Bronwen Chalmers
Headteacher
