

Dear Parents and Carers,

This is the last paper copy of the newsletter you will receive! As we are a sustainable school, we have made the exciting decision to move to paperless newsletters. Starting next week you will receive the newsletter in an email or you can access the newsletter on the school website. For the remainder of the term you will also be able to collect a paper copy of the newsletter from the school office should you so choose. From September, the newsletter will only be available via email or from the school website.

Thank you to those parents who have already provided the school office with an up to date email address. If you haven't already done so, please ensure the office have an email address by Thursday 5th July so that we can continue to send you the newsletter on a weekly basis.

Today was occupation day and the children had a great time thinking about their long-term career aspirations. Thank you to Clyde Loakes and Amina Mayet who came in to speak with the children about their work, this was an invaluable experience for the children.

Next week is Enterprise week so the children will be thinking about a product or service they can provide for the summer fair. Please do ask your children what they have been up to as the week progresses.

Finally, we have a lovely week as far as the weather is concerned, I do hope you have made the most of the sunshine! Please be reminded of sun safety for your children over the weekend and the coming week.

Have a well-earned rest this weekend.
Kind regards,

Nadine Walter
Assistant Headteacher
