

Dear Parents & Carers,

Happy half term!

This week is Child Mental Health Week. At Davies Lane, we celebrate our differences and the strengths these bring. We are all unique and every child at our school has the right to feel comfortable in their own skin. They are taught through the PSHE curriculum that they are free to express themselves within the framework of our 5Cs and our British value of mutual respect. If you are concerned about yours or your child's mental well-being then we are here to help. We have access to a range of services both in house and external that we can put you in contact with, to ensure you and your children are well supported. If you would like to discuss this issue more or would like more information then please contact Samina Ahmed, our Deputy Head and Inclusion manager, on the school's number.

This week we have also had Safer Internet Use Day. This is a national initiative that has been running for a number of years and has been recognised by schools across the UK. As part of this week, pocket size guides on how to use the social media site Facebook were sent home with year 4 - year 6 children. We are by no means promoting Facebook usage, especially not for children of primary age, but want parents and siblings who use Facebook to be aware of how they can make its use safer. We have a small number of similar leaflets about safer use of Snapchat, Instagram and Twitter. If you would like more information or to obtain a leaflet then please see the school office, where leaflets are available.

As the half term approaches and the school is closed for a week, I would like to take the opportunity to remind you that our responsibility for keeping the children safe does not stop. If you are worried about a pupil during the holiday or out of normal school hours then please contact the school.

Thank you for your continuing support this term.

Have a safe and enjoyable break.

Bronwen Chalmers  
Headteacher

Dear Parents,

Reading is a whole school focus. To help you support your child at home, we have put a list of comprehension questions you can ask your children when reading with them on the school website. I have organised the questions into 6 main comprehensions skills. These questions can be adapted to suit your child's age range. The comprehension questions can be found by clicking the 'curriculum' tab and then the 'reading' tab. You will find a link at the bottom of the page to access the questions.

A suggested reading book list will also be up on the website soon for you to access. These are suggested titles for each year group and will be found in each year group's tab on the school website.

Thank you,

Miss Malek
