

Year: Nursery

Term: Summer 2

Date: 15.6.18

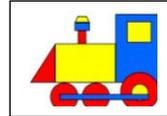

Week 1: Literacy and Numeracy Activities:

Literacy: Can you travel around London? Adult to take their child on a journey using a bus or tube and talk about it. In your homework book, child to draw a picture of a bus or train. Adult to annotate children talking About their journey, how the transport works e.g. you wait at the bus stop, you press a button to get off etc.

Ext: Can you write what you saw on your journey? E.g. bus, tree,

Numeracy: Can you go on a shape hunt in your environment?

Ext: to make a 2D shape picture and label the shapes you have used.

Week 2:

Literacy: Can you cross the road safely? Children to draw a picture of traffic lights and adult to annotate children talking about what the colours on a traffic light mean, how to cross safely and why it is important.

Numeracy: Can you count the number of people you see at the bus stop? Children to draw people in their books and label the amount 1,2,3...

Context: This term our topic is 'holidays'. The children will learn be exploring the world around them and naming London landmarks and the people who help us in our community such as doctors and fire fighters. They will be exploring a range of transport to travel across London and identifying how we use them. We will also be looking at stories set in other countries that we might visit as a holiday destination and developing our knowledge and understanding of the world around us comparing features in our environment.

Optional Project Homework:

This is a Three Week Project: Hand in date: 28.6.18

What I need to do:

Make a 3D model of your favourite landmark.

Week 1: Research information on your chosen Landmark.

Week 2: Collect your materials.

Week 3: Make your Landmark.

Resources I will need:

Varied materials, junk modelling, scissors, paint, glue, crayons, markers, tape etc

How an adult can help me:

Take me sightseeing around London.

Help me research information about my chosen Landmark.

Help me to decide on the best shapes and materials to use.

Help me to collect the materials.

Check that I am using the scissors safely.
