7th September 2018

Dear Parents/Carers,

I am writing to let you know that we have vacancies on our Parent Learning Council for your child's class. Parent Councils offer parents the opportunity to contribute to policy making on issues which affect them and also to play their part in improving children's learning.

The role of the Parent Learning Council at Davies Lane over the next year will be to help us with our School Improvement Plan to improve learning. As a member of the Parent Learning Council you will have the opportunity to take part in a range of activities including looking at school data, children's books and observing learning within lessons with the Executive Principal and Headteacher.

At Davies Lane we believe that when parents are involved in their child's learning and in the life of the school, children do better. Schools that work in a genuine partnership with parents have found that this can have a transformational effect on school culture.

The following classes have vacancies for Parent Council members:

Cypress	Rowan	Willow	Elder
---------	-------	--------	-------

Parent Learning Council members would need to be able to commit to attending one meeting per half term which would take place on a Thursday morning. If you are interested in applying for the role, please complete the slip below and return it to the school office by 14th September 2018. We will then invite you to an interview the following week.

I look forward to hearing from you.

Yours sincerely,

Bronwen Chalmers
Headteacher
