This is a Three Week Project: Hand in date: 11.05.2017

As part of your homework, you will need to create an aquarium of sea creatures and plants. E.g. in shoe box or a cereal box.

Week 1: Research underwater animals and plants. Make notes and diagrams in your homework book.

*What animals could you see in an aquarium? Can you label the features?

Week 2: Draw a plan of your aquarium and collect the resources you will need.

*Can you label the different parts of your aquarium?

*Can you describe the creature? (legs, eyes, body)

Collect the materials you need to complete your project

Week 3: Create your final piece.

*How did you attach the pieces together? How did you make animals look like they were floating?

Handwriting (optional):

Practise your handwriting by writing the days of the week and months of the year.
