Year: 2	Term: Spring 1	Date: 26th January 2018

Skills:

Times tables (10min daily):

Learn the multiplication and division facts for the 3 times table. Is the 3 times table similar to any other times table? Can you find a way to help you remember the multiplication facts?

Spellings (10min daily):

Please learn spellings 1- 10.

Reading (10min daily):

Please read your book for 10 minutes each day.

Dictionary Work:

Read the excerpt of The Cow by Louis Stevenson. Can you underline all the adjectives and nouns?

Web-based learning (optional):

Mathletics:

Mathletics challenges – have a go at furthering your maths skills.

Bug Club:

We have had a Bug Club system update. The new log-in details will be coming out to you soon.

Optional Project Homework:	**This is a two week Project: 8ᵗʰ February 2018**

As part of your homework and our Flying High project, we would like you to create a fact file on the history of air travel.

Week 1: Have a look on the Internet with an adult to find out about the history of air travel. This can include: inventors who created flying machines, success in air travel, safety, modern air travel and various designs for airplanes.

Week 2: Create your fact file on air travel. Make a front cover, contents page and fill it with facts and pictures.

Please practice your handwriting:

Practice writing these homophones:

Nose knows flu flew one won sew so break brake night knight

A knight dressed in dazzling armour knew his castle was about to be taken over by invaders from the North. Luckily, this clever knight had a plan …

The Cow

by Robert Louis Stevenson

The friendly cow all red and white,
I love with all my heart,
She gives me cream with all her might,
To eat with apple tart

She wanders lowing here and there,
And yet she cannot stray,
All in the pleasant open air,
The pleasant light of day,

And blown by the winds that pass,
And wet with all the showers,
She walks among the meadow grass,
And eats the meadow flowers.
