Optional Project Homework:

This is a two-week Project: 24th May 2018

As part of your homework for Around the World in 60 days, we would like you to create one of the ships Christopher Columbus sailed on which were named the Nina, the Pinta and the Santa Maria.

Week 1: Think about what the ship looks like, (the sails, main body and flags) it's colour, material and shape. Think about the materials you could use. Are there any materials you can find from a recycling area?

Week 2: Assemble your boat by putting the parts together. Can you create a background for your boat to sail on to make it more realistic?

Please practice your handwriting:

Practice writing these contraction words:

Can't didn't hasn't couldn't it's I'll shan't won't wouldn't

Anna Hibiscus couldn't wait to visit her grandparents. Her grandparents live five miles away from where she lives and has been waiting very eagerly to visit them since Monday. 'It's the best place to visit!' Anna shouted with joy. 'I can't wait to play with all of my cousins.'

Anna Hibiscus

Anna Hibiscus lives in Africa. Amazing Africa. She lives in an old white house with balconies and secret staircases. A wonderful house in a beautiful garden inside a big compound. The trees are full of sweet ripe fruit and the flowers are full of sweet juicy nectar because this is Africa, and Africa can be like this. Outside the compound is the city. An amazing city of lagoons and bridges and roads, of skyscrapers and shanty towns.
