

Year: 4

Term: Summer 2

Date: 15th June 2018

Skills:

Times tables (10min daily):

Please learn the multiplication and division facts for the 3 and 4 times tables.

Spellings (10min daily):

Please learn spellings provided.

Reading (10min daily):

Please read your book for 10 minutes each day.

Dictionary Work:

Please read the text provided and look up any unknown words in a dictionary.

Web-based learning (optional):

Mathletics:

Mathletics challenges – have a go at furthering your maths skills.

Bug Club:

Continue with your online reading program.

Optional Project Homework:

This is a Three Week Project: Hand in date: 21.06.2018

Earn additional merits by completing this project work.

What I need to do:

Create an old style map showing the journey to Britain that the Viking settlers took. It needs to be large, detailed and creatively presented.

Week 1 Research a range of maps, where the Vikings originated from and where they landed in Britain.

Week 2 Start thinking about the materials you are going to need to build your map. Plan how you will present your map and the materials you will use (for example tea-bags to make it appear aged).

Week 3 Write a fact sheet that will accompany your map. Think carefully about the questions you will answer, e.g. where did they come from? Why did they leave? How were they received?

Want to earn more merits?

Self-Study: If you are still interested in furthering your home learning, why not research a topic of your interest or practice the some of the skills you have been learning in class.

"Son?" his mother called to him. No response. "Son?" All day she had searched every inch of the house in vain desperation. Then she remembered the deserted corridor of rooms the owners of the house had told her not to disturb. Her heart pounded as she retraced the boy's boot prints on the dusty floorboards. On entering the room, her eyes followed the footprints leading curiously up to the gloomy picture of the girl; she in horror as her eyes took in the scene before her: the girl's pale hand rested on the shoulder of a new companion, one that was not meant to be there...her son.

1. Sam is adding up the number of comics he bought each day. What is the missing number?

Check your answers!!!

Sunday	3
Monday	1
Tuesday	<input type="text"/>
Wednesday	3
Thursday	2
Friday	2
Saturday	2
TOTAL	16

2. Write the missing numbers in the boxes in each calculation.

a)

$$\begin{array}{r} 23\Box \\ + 4\Box8 \\ \hline 655 \end{array}$$

b)

$$\begin{array}{r} 2\Box6 \\ + \Box19 \\ \hline 805 \end{array}$$

c)

$$\begin{array}{r} 473 \\ + \Box19 \\ \hline 9\Box2 \end{array}$$

d)

$$\begin{array}{r} \Box77 \\ + 28\Box \\ \hline 9\Box2 \end{array}$$
